ABOUT ME

Result-oriented Full-Stack Developer with a strong technical foundation in Java, Spring Boot, and the MERN stack. Specialist in building scalable, secure web applications and AI-powered analytics tools. Currently pursuing an MCA (1st Year) at Bharati Vidyapeeth (IMED) with a high- performance BCA background (8.99 CGPA).

TECHNICAL SKILLS

- **Languages:** Java (Core & Advanced), JavaScript (ES6+), SQL.
- **Backend Development:** Spring Boot, Node.js, REST APIs.
- **Frontend Development:** React JS, HTML5, CSS3, Responsive Design.
- **Databases:** MySQL, MongoDB, Firebase.
- **DevOps & Tools:** Docker, Git/GitHub, Postman.
- **Security:** End-to-End Encryption, JWT, Role-Based Authorization.

PROJECTS

❖ Insurance Management System | Web Application| [Github](#)

- Engineered a **full-stack insurance management system** for managing **policies, policyholders, and claims** efficiently
- Developed **dynamic user interfaces** using **HTML, CSS, and JavaScript** for smooth policy selection and claim tracking.
- Implemented a **secure PHP backend with MySQL database** to handle **authentication, data storage, and admin operations**.

❖ ChatApplication | Real-Time Messaging System | [Github](#)

- Architected a real-time communication platform supporting private messaging and group chats.
- Implemented **End-to-End Encryption (E2EE)** to ensure user message privacy and data integrity.
- Designed a secure authentication layer with **Role-Based Authorization** for enhanced user management.
-

❖ Civic One | Smart Complaint Management System | [Github](#)

- Engineered a **citizen–government communication portal** enabling users to **submit civic issues** with **photos, videos, PDFs, and text files**..
- Developed a **responsive frontend using React** for seamless issue reporting, tracking, and user interaction.
- Implemented a **Node.js backend** to securely manage **complaints, media uploads, and real-time status updates**.

CERTIFICATIONS

- Full stack java course : By Symbiosis & Capgemini
- AI and Employability Skills: Certificate by Magic Bus ,Supported by Infosys foundation.

EDUCATION

- **Master of Computer Applications (MCA):** 1st Year, Bharati Vidyapeeth (IMED), Pune.
- **Bachelor of Computer Applications (BCA):** 8.99 CGPA , Shivaji University Kolhapur.
